

Eugene Applebaum College of
Pharmacy and Health Sciences
Department of Pharmacy Practice
259 Mack Ave, Suite 2190
Detroit, MI 48201

**WAYNE STATE
UNIVERSITY**
EUGENE APPLEBAUM
COLLEGE OF PHARMACY
AND HEALTH SCIENCES

**5th Annual Fall 2009
Pharmacy CE
Symposium:**

**Emerging Trends in
the Treatments of
Infectious Diseases**

**Friday, November 20th,
2009**

12:00 p.m. to 5:00 p.m.

*Pharmacists Working Together
to Improve Patient Care*

Program Objectives:

- List key infectious diseases that are currently potential threats to public health
- Identify trends in antimicrobial resistance of important pathogens
- Describe the relationship between antimicrobial stewardship and public health
- Explain important antimicrobial stewardship guidelines and how they are applied
- Describe important components of successful antimicrobial stewardship programs
- Identify opportunities for implementing or improving antimicrobial stewardship in your practice
- Describe the use of local data to guide system-based recommendations for antimicrobial use
- Identify examples in which antibiograms can aid empiric antimicrobial therapy recommendations
- Evaluate strategies for successful implementation of prospective audit and feedback practices
- Compare methods for measuring antimicrobial use and appropriateness

Target Audience:

- Health-system pharmacists, community pharmacists, faculty and preceptors

Program Goals:

Provide comprehensive and up-to-date information on the emergent resistant trends, treatments, and controversies of infectious diseases

Program Agenda:

12:00 pm
Registration and Lunch

Moderator: Michael Rybak, Pharm.D., M.P.H

1:00 pm - 2:00pm
Public Health Threats in Infectious Diseases
Keith Kaye, MD, M.P.H

2:00 pm - 3:00 pm
Keys to Successful Antimicrobial Stewardship Programs
Elizabeth Dodds, Pharm.D., MHS, BCPS

Continuing Education:

The event has been awarded 3.0 hours of pharmacy
 continuing education credit (PCE) respectively. PCE
 credit will be earned based upon participation in this
 program. Any individual who is more than 10 minutes
 late to a program or anyone who leaves the program
 early will not be granted PCE credit. This will be strictly
 enforced. Participants must also complete the
 program evaluations and sign the Attendance
 Roster to receive PCE credit. Statement of
 Credit will be sent by WSU four to six weeks after
 the program.

The Michigan Pharmacists Association is accredited by
 the Accreditation Council for Pharmacy Education
 (ACPE) as a provider of continuing pharmacy
 education.

ACPE Program Number 112-999-09-314-L01-P
 Program Initial Release Date November 20, 2009. This
 is a Knowledge-based activity
***This program is sponsored in part by unrestricted
 grants. A list of sponsors will be provided on the
 day of the seminar.***
